

# Project Welfare Network System

## Homepage

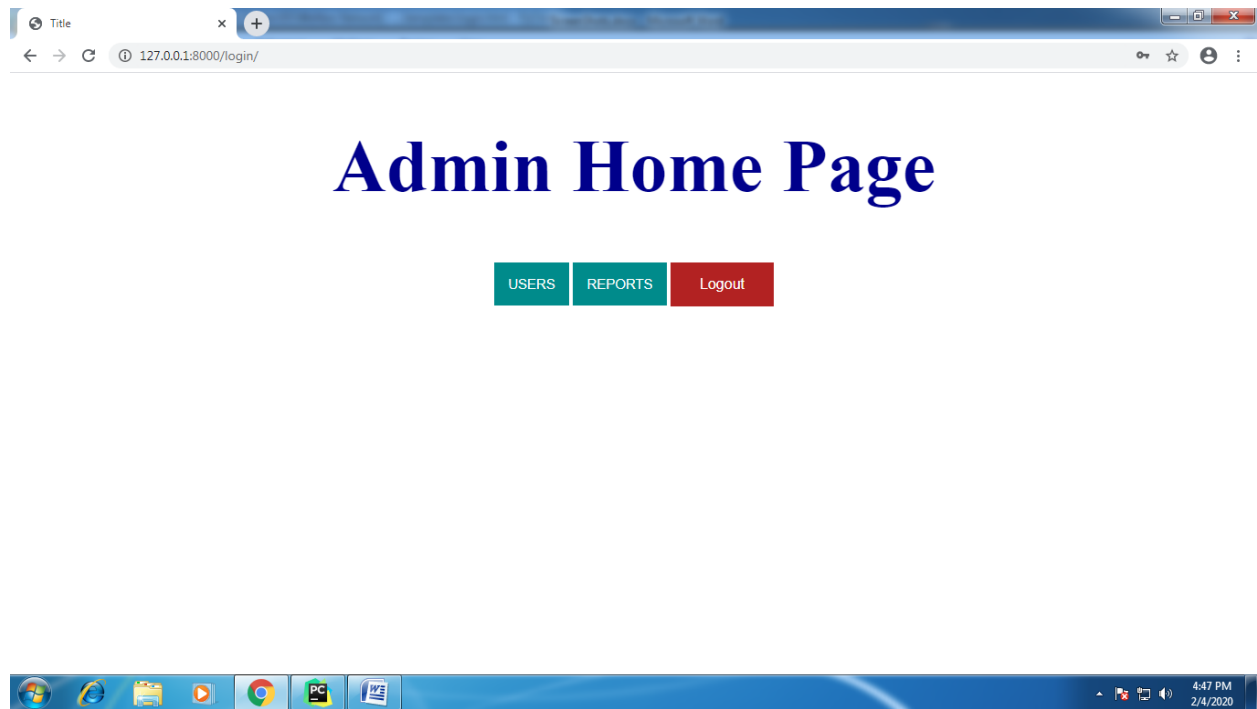

A screenshot of a web browser displaying the homepage of the 'CORPORATE EMPLOYEE WELFARE NETWORK'. The browser's address bar shows '127.0.0.1:8000'. The page has a light orange background. At the top, the title 'CORPORATE EMPLOYEE WELFARE NETWORK' is written in large, bold, blue serif font. Below the title, the text 'Login Page' is centered in a green serif font. Underneath, there are three input fields: 'USER NAME' with a white text box, 'PASSWORD' with a white text box, and 'USER TYPE' with a dropdown menu showing '--select--'. Below these fields are two red buttons: 'Login' and 'Clear'. At the bottom of the form area, there is a blue link that says 'Register New User'. The Windows taskbar is visible at the bottom of the browser window, showing icons for various applications and the system clock indicating 4:45 PM on 2/4/2020.

## Admin Login Page

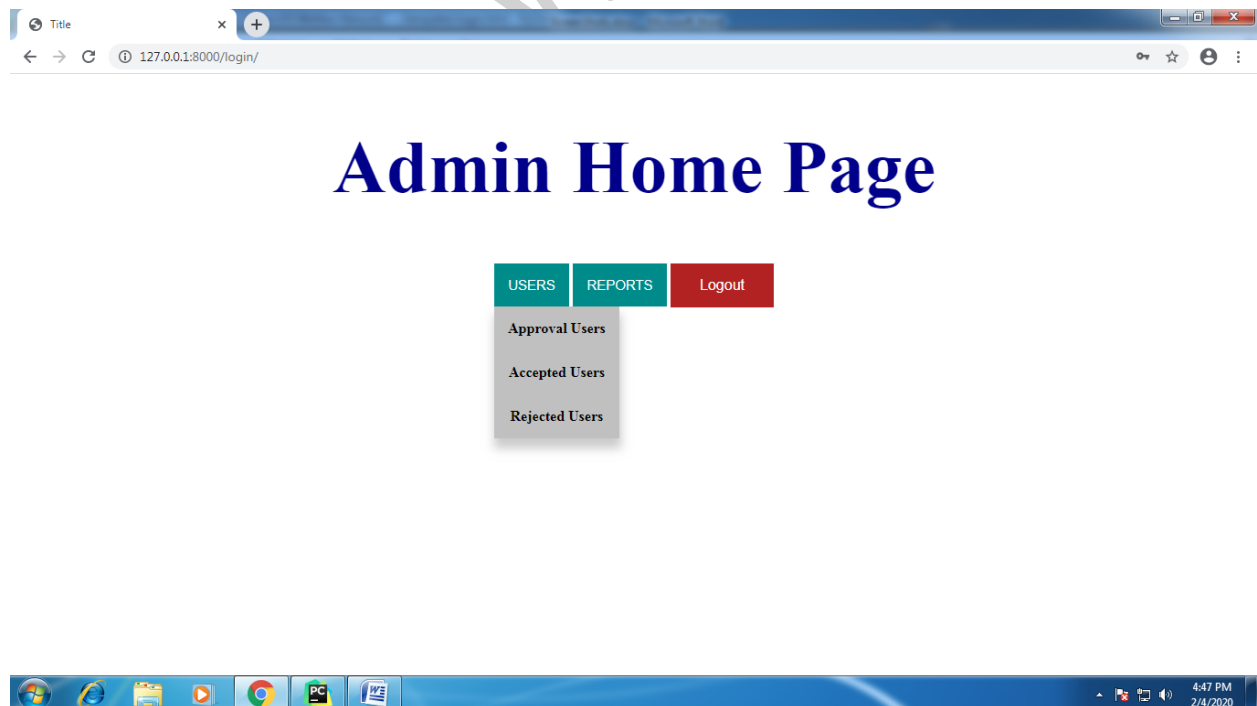

A screenshot of the same web browser displaying the admin login page. The page layout is identical to the homepage, but the 'USER TYPE' dropdown menu is now open, showing three options: '--select--', '--select--', and 'admin'. The 'Log user' button is highlighted in blue, while the 'Clear' button remains red. The 'Register New User' link is still present at the bottom. The browser's address bar and the Windows taskbar at the bottom are also visible, with the system clock showing 4:46 PM on 2/4/2020.

## Admin -- Rejected Users

The screenshot shows a web browser window with the URL `127.0.0.1:8000/viewrejectedusers/`. The page title is "Admin Home Page". Below the title, there are three buttons: "USERS", "REPORTS", and "Logout". The "REPORTS" button is highlighted. Below the buttons, the text "Rejected Users" is displayed. A table with 8 columns (EMPLOYEE\_ID, USERNAME, PASSWORD, ADDRESS, EMAIL, CONTACT, COMPANY\_NAME, STATUS) is shown, containing two rows of data for rejected users.

EMPLOYEE_ID	USERNAME	PASSWORD	ADDRESS	EMAIL	CONTACT	COMPANY_NAME	STATUS
105	siri	siri	hyd	siri@gmail.com	8989889898	infosys	Rejected
106	mani	mani	hyd	mani@gmail.com	8989889898	infosys	Rejected

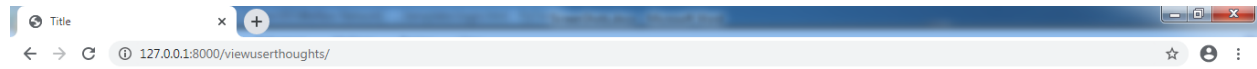

## Admin -- Reports Menu

The screenshot shows the same web browser window as the previous one, but with the "REPORTS" button highlighted. A dropdown menu is visible, listing various report categories: View Thoughts, View Events, View Technical, Work Experience, View Property, View Sharemarket, View References, View Matrimonial, View Celebrations, and View Travel. The table below the menu shows the same data as the previous screenshot.

## User Registration Page

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:8000/newuser/". The page title is "New User Registration". The form includes the following fields and controls:

- Username:** A text input field.
- Password:** A text input field.
- Address:** A large text area.
- Email\_Id:** A text input field.
- Contact\_No:** A text input field with a placeholder text "enter 10 digits number without country-code".
- Date Of Birth:** A date picker showing "January 1 1952".
- Company\_Name:** A text input field.
- Buttons:** "Register" and "Clear" buttons.

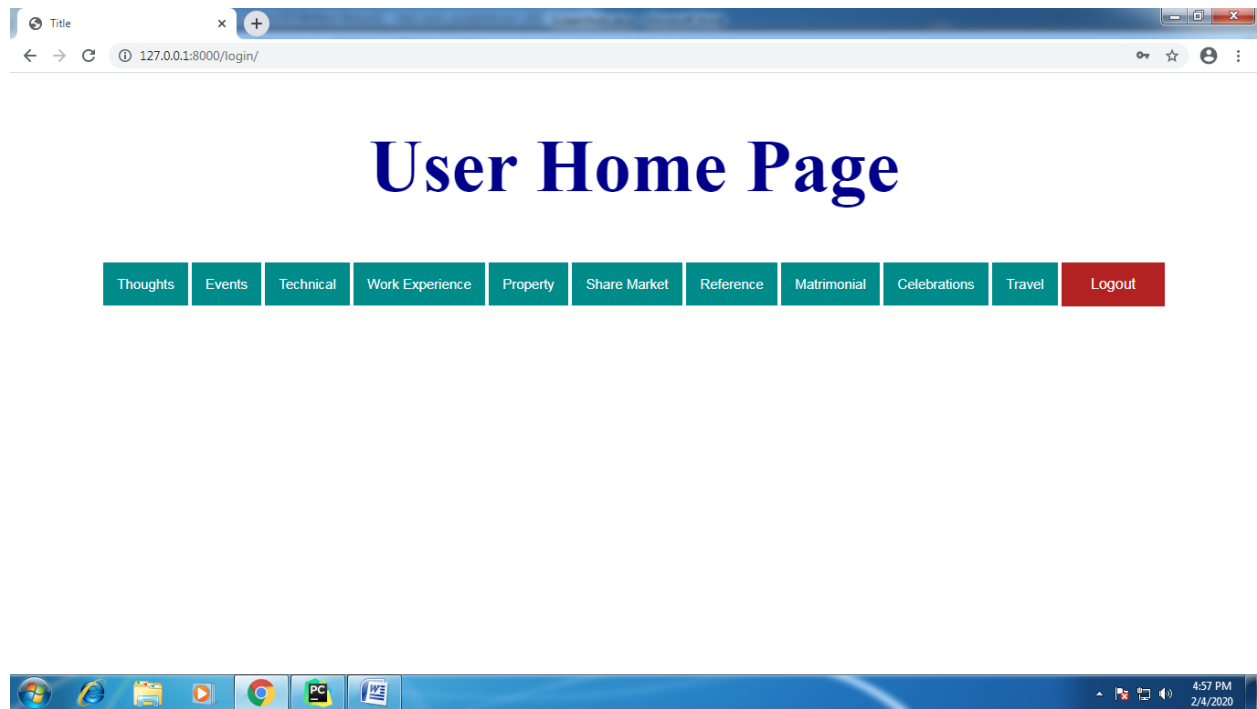

## User Login Page

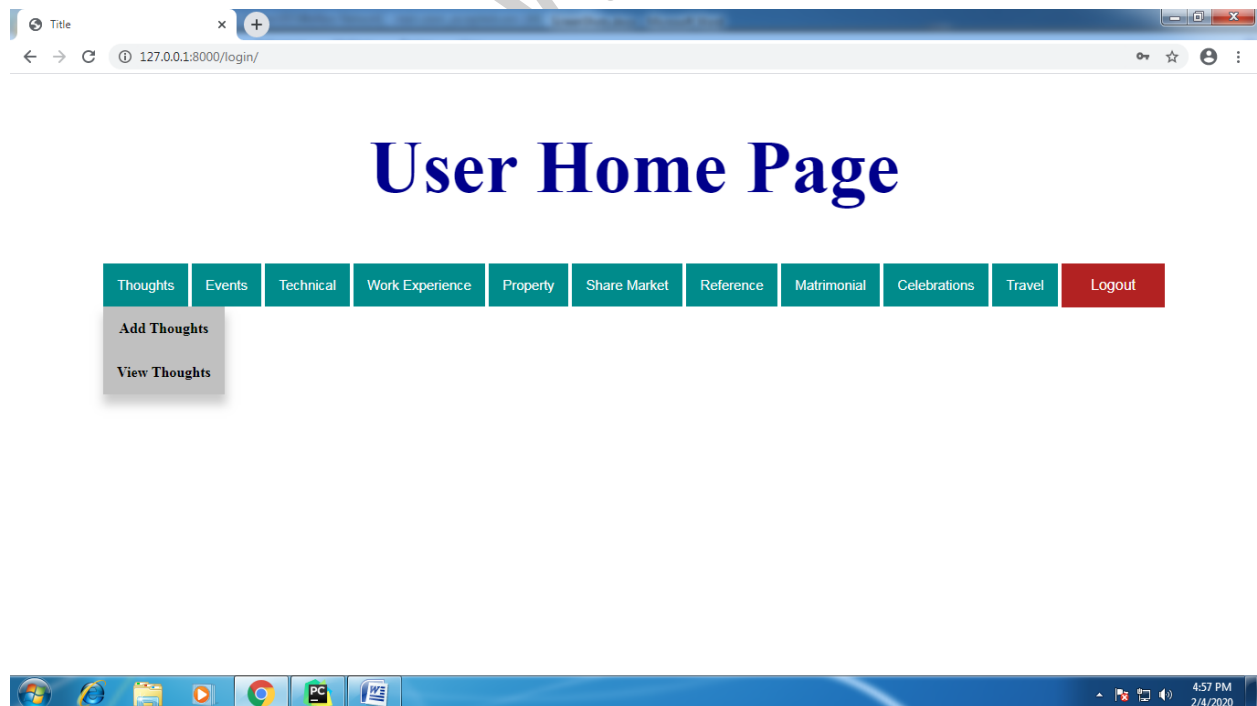

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:8000/?csrfmiddlewaretoken=uW95mesENuDCSWgEbLsNcozKKfZpSQiseR5gsmshF56oFspxlhfOk5mJlrUVO3dx". The page title is "CORPORATE EMPLOYEE WELFARE NETWORK". The page content includes:

- Header:** "CORPORATE EMPLOYEE WELFARE NETWORK" in large blue letters.
- Section Header:** "Login Page" in green letters.
- Form Fields:**
  - USER NAME:** A text input field containing "ravi".
  - PASSWORD:** A text input field with masked characters "....".
  - USER TYPE:** A dropdown menu showing "user".
- Buttons:** "Login" and "Clear" buttons.
- Link:** A link labeled "Register New User".

## User homepage

## Thoughts Menu

## User Add Thought

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:8000/addthoughts/". The page has a title bar with "Title" and a tab icon. The main content area features a large blue heading "User Home Page". Below this is a horizontal navigation bar with buttons for "Thoughts", "Events", "Technical", "Work Experience", "Property", "Share Market", "Reference", "Matrimonial", "Celebrations", "Travel", and a red "Logout" button. The central section is titled "Add User Thought Information" and contains three input fields: "Username:" (a text box), "Description:" (a larger text area), and "Contact\_No:" (a text box with a placeholder "enter 10 digit number only"). At the bottom of the form are two red buttons: "Add Thought" and "Clear". The Windows taskbar at the bottom shows icons for various applications and the system clock indicating 4:57 PM on 2/4/2020.

## User View Thoughts

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:8000/viewthoughts/". The page has a title bar with "Title" and a tab icon. The main content area features a large blue heading "User Home Page". Below this is a horizontal navigation bar with buttons for "Thoughts", "Events", "Technical", "Work Experience", "Property", "Share Market", "Reference", "Matrimonial", "Celebrations", "Travel", and a red "Logout" button. The central section is titled "View User Thoughts" and contains a table with three columns: "USERNAME", "DESCRIPTION", and "CONTACT\_NO". The table has two data rows. The Windows taskbar at the bottom shows icons for various applications and the system clock indicating 4:57 PM on 2/4/2020.

USERNAME	DESCRIPTION	CONTACT_NO

ravi	this is python class	89889898989

## Events Menu

The screenshot shows a web browser window with the address bar displaying '127.0.0.1:8000/viewthoughts/'. The page title is 'User Home Page'. Below the title is a navigation menu with buttons for 'Thoughts', 'Events', 'Technical', 'Work Experience', 'Property', 'Share Market', 'Reference', 'Matrimonial', 'Celebrations', 'Travel', and 'Logout'. The 'Events' button is highlighted, and a dropdown menu is visible with options 'Add Events' and 'View Events'. Below the navigation menu is a section titled 'View User Thoughts' containing a table with the following data:

USERNAME	DESCRIPTION	CONTACT_NO
siri	dsgb	5555
ravi	this is python class	89889898989

The browser's taskbar at the bottom shows various application icons and the system clock indicating 4:58 PM on 2/4/2020.

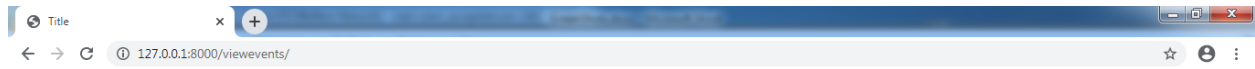

## User Add Event

The screenshot shows a web browser window with the address bar displaying '127.0.0.1:8000/addevents/'. The page title is 'User Home Page'. Below the title is a navigation menu with buttons for 'Thoughts', 'Events', 'Technical', 'Work Experience', 'Property', 'Share Market', 'Reference', 'Matrimonial', 'Celebrations', 'Travel', and 'Logout'. Below the navigation menu is a section titled 'Add User Event Information' containing a form with the following fields:

- Username:
- Startdate:
- Enddate:
- Description:
- Contact\_No:  enter 10 digit number only

The browser's taskbar at the bottom shows various application icons and the system clock indicating 4:58 PM on 2/4/2020.
